about (seb)

The Student Events Board, or (seb), is the students programming board at UMBC. We are funded through student activities fees and our primary focus is to provide high quality programs to UMBC students throughout the semester.

(seb) board members are students that act as representatives for the UMBC student body. We assist in the planning and implementation of social and educational programs for the UMBC community.

stay updated

There are over 100 events this semester—that's a lot to keep up with! This calendar will provide you with the dates, times and locations, but staying connected to our online media sources is the best way to stay up to date with what's going on at UMBC.

official website

Visit our website seb.umbc.edu to stay updated with the latest happenings. Check it out for everything (seb)—including the most recent updates on what events will be happening this semester, special guests that will be stopping through, how to enter our contests with crazy awesome prize and information about all things Quadmania.

have a suggestion?

Have an idea for an event? Want to send us questions, comments or other feedback? We'd love to hear it! Reach out to us on social media, by email or you can always stop by our office on the second floor in the Commons, room 2B10.

get involved

Everybody is welcome to be involved in (seb)! By attending events, contributing at general body meetings, or becoming a member, (seb) is what you make it. Stop by our office, Commons 2B10, or email Mayra Perez Olivier (mayra6@umbc.edu) for more information.

events

Variety is the name of the game, and we've got tons of it! Keep an eye out for our posters around campus: on bulletin boards throughout Academic Row, the Commons and within any of the residential buildings.

weekly movies

Every week, (seb) brings a recent Hollywood blockbuster to campus, for your viewing pleasure. The best part? It's free! Check out Lecture Hall 1's cinema marquee to find the movies playing on upcoming weekends.

regular showings:

Thursday: LH1 at 9:00 p.m.

Friday: LH1 at 9:00 p.m. (interactive)

Saturday: LH1 at 9:00 p.m. (subtitles available)

collaborations

So, your student org wants to have an event? Think (seb) could help spice it up? Yeah, we do too. Stop by our office during the day to pick up a collaboration form or talk to one of our board members.

For any funding requests, please contact the Student Government Association.
